

Iris Dang, Manager, PEMANDU NKEA Communications Content & Infrastructure

Email: [iris.dang@pemandu.gov.my](mailto:iris.dang@pemandu.gov.my)

Iris is a Manager from NKEA Communications Content and Infrastructure. She monitors the implementation, facilitates as well as support the delivery of various initiatives ranging from creative content development, pushing boundaries of E-Government to enhancing the connectivity foundations that support these initiatives. In her duration with PEMANDU, she was also responsible for monitoring the delivery & issue resolution of road infrastructure and 21<sup>st</sup> Century Village initiatives under NKRA Rural Development.

Prior to joining PEMANDU she was a Management Consultant at PricewaterhouseCoopers. Her selected experiences include implementing and operationalizing business process improvement, implementing enterprise wide risk management framework and function, performed internal audits and conducted board governance reviews. She spent close to two years in India delivering various performance improvement projects for a major telecommunications company. She has worked with clients from industries such as conglomerates, broadcasting and financial institutions.
