Innovation in Teaching and Learning Symposium,
4th World Congress on Information and Communication Technologies (WICT14)
8th - 11th December, 2014, Melaka, MALAYSIA.

The effectiveness of teaching and learning play an important role in many learning organizations. Quality of students and change of technology have a tremendous impact on the ways in which we conduct teaching and learning. The effectiveness in teaching and learning raises concern in realms of innovation among educators, researchers, industries and practitioners. With the emerging trend of innovation in teaching and learning, the effectiveness is no longer limited to the technological change, but other factors must also be addressed.

This symposium is designed to provide researcher, academics and industry the opportunity to discuss and share experience, ideas, problems, solutions and innovation in teaching and learning. It offers concurrent sessions on cutting-edge issues in various area related to education and there are also opportunities for participants to network with fellow educators.

The objectives of this symposium are as follow:

- To present and discuss the most recent innovation in research and development of innovation in teaching and learning.
- To provide a platform for academics and practitioners to exchange ideas, share and distribute the latest research findings in teaching and learning field.

Topics of Interest
Recommended topics include but are not limited to the following:

- E learning and pedagogy
- Assessment, evaluation and effectiveness study
- Outcome based education
- Distance education
- Courseware and content development
- Special education
- Problem based learning
- Collaborative/cooperative learning
- Student centered learning
- Educational technology
- Lifelong learning
- Technology and innovation in learning
- Mobile learning
- Cultural and social issues in teaching and learning

Important Date

Full paper submission due	**:** 15th August 2014
Notification of acceptance	**:** 30th September 2014
Final manuscript due	**:** 15th October 2014
Registration and full payment due	: 30th October 2014

The accepted symposium proceedings will be published by Springers. The maximum length of the paper is 12 pages (including figures and references). The paper should not contain page numbers or any special headers or footers. All papers must be formatted according to the Springer template.

All manuscripts must be submitted through Easychair Submission System, under the Parallel Symposium Paper: Innovation in Teaching and Learning track.

Program Committee
Symposium Chair: Associate Prof Dr. Faaizah Shahbodin, UTeM, Malaysia

Symposium committee:
Assoc Prof Azizah Jaafar, UKM, Malaysia
Assoc Prof Dr.Azlina Ahmad, UKM, Malaysia
Assoc Prof Dr Nazlena Mohamad Ali, UKM, Malaysia
Prof Dr Jowati Juhary, UPNM, Malaysia
Dr Norasiken Bakar, UTeM, Malaysia
Dr Habibah Ab. Jalil, UPM, Malaysia
Norazmi Bin Danuri,
Dr Halizah Basiron, UTeM, Malaysia
Dr Gede Pramudya Ananta, UTeM, Malaysia
Ms. Zanariah Jano, UTeM, Malaysia
Dr.Norshita Mat Nayan, UKM, Malaysia
Dr.Rabiah Abdul Kadir, UKM, Malaysia

We warmly welcome interested authors to submit your research paper to this symposium and share the valuable experience with others scholars around the world.
